We would ask that parents ensure that children only wear sensible, flat-heeled shoes for school. All equipment and clothing should be clearly named.

Please note that only plain gold or silver studded earrings may be worn. Surrey County Council's advice is that these must be removed for PE lessons but if this is not possible then they should be taped to avoid pulling or snagging.

For health and safety reasons, hair clips must be small and navy blue in colour. Your child is not permitted to wear make-up, nail varnish, jewellery and hair gel to school.
