

Wingbats After School Club

Fun, Flexible & Affordable Ofsted registered childcare at West Byfleet Infant School.

Emphasis on Fun...a relaxed & safe environment to play with friends!

Wingbats is an established After School Club with over 29 years experience based at West Byfleet Infant School. It runs straight after each school day until 6pm for children aged 4-11.

Wingbats aims to provide local working parents peace of mind with an affordable, safe, reliable and fun after school child care option.

Wingbats offers a relaxed environment where the emphasis is on supervised free play.

Children can take full advantage of the range of crafts, toys, role play & activities on offer in the hall, or enjoy the fresh air, sports equipment and outside play areas. Young children can be tired at the end of the school day and may wish to simply 'chill out' in the quiet zone or enjoy watching a film.

We accept a range of childcare vouchers & are registered for the HM Government Tax-Free Childcare Scheme

"The staff in Wingbats are so caring and kind and they create a real home from home atmosphere" Mrs P

Safe & Caring Environment

Wingbats is fully inclusive and welcomes all children. Our staff are experienced with Special Educational Needs (SEN) and attend training on SEND, ASD, Sensory processing & Speech & Language.

"I love playing outside in the castle & houses and playing basketball with my friends" Max aged 6

Ofsted Inspection 2022

"Children enthusiastically attend this welcoming after-school club. They benefit from a strong key-person system which enables children to develop excellent relationships with staff. This supports children to feel safe and secure in the environment. For example, new children are identified immediately and are welcomed by their key person who makes extra effort to ensure they settle quickly.

Children have access to a wide range of resources and activities, which engage them and build on their learning from school. Children show great independence as they make choices about food and put away their plates when they have finished eating.

Children relish the opportunity to explore and play outside in the setting's large outdoor area. They race and chase each other and explore the variety of climbing and play equipment together.

Children are extremely well behaved and display good manners. They benefit from consistently high expectations from staff across the setting. Children are kind, courteous and respectful of one another".

I like it at Wingbats because I get to play lots of games. I like Lego, cake decorating & the Harry Potter toys. I enjoy playing with children older than me. I am on the Wingbats Council and at meetings we can change what happens at Wingbats and what we do there." Jessica aged 6
